- Guest Speaker -
Women's Center
April 3rd

Wanda Mitchell
Principal

Note from the Principal's Office

We just finished up a week of TAKS testing and are looking forward to the activities planned for the remainder of the year. Students are very excited about the two approaching college day field trips, the first to North Texas State University and the next to the University of Texas in Arlington.

This Friday, the students who have achieved adequate progress in any given class will be allowed to attend an academic celebration for that class period while others remain in their regular classes working.

After returning from Spring Break, students with good attendance for the past six weeks will enjoy a field trip to the Stockyards where they will experience the West as it once was.

Speaking of Spring Break, upon returning, please start sending plastic eggs and candy with your student for the Annual Easter Egg Hunt for some very lucky children from Joy James Elementary which will take place on April 9th.

Have a safe Spring Break!

Wanda Mitchell

Congratulations REACH Graduates!!

On Friday, January 30th, five students received their diploma at the REACH High School graduation which was held at the A.V. Cato Multi-purpose Building at 7:00 p.m.

Approximately 400 were in attendance to cheer on Ashton B., Diane G., Allie H., Ashlee L. and Melinda M. as they walked across the stage.

Ashlee A., Diane G., and Allie H. each applied and received a \$250 scholarship from the River Oaks Lions Club to attend a local college. Ashton B. finished all of the requirements for graduation past the scholarship deadline but plans to attend college as well. Melinda M. enlisted in the Army.

We are very proud that each of our graduates have such a clear direction for their futures.

The Mission of Castleberry ISD is to graduate all students as lifelong learners who will excel in our changing world and competitive workplace.

Counselor's Corner

We have had a great start for this year at REACH High School. Five Students graduated in January. Three of the students received college scholarships. All five students will continue their education in a specialization which will help ensure their success as positive and successful citizens. Since then, REACH High School has supported three additional students to complete their requirements for high school graduation.

We are proud of the life changing environment that is provided at REACH High School. Students are provided a secure and nonthreatening environment which enables students to open up, ask questions, and receive answers to those questions in a timely manner. Frustration is thereby lowered, hope is raised and success is expected. As a result, students are motivated and work harder than ever, strive for excellence in citizenship and academics, and are concerned for the welfare of others. This educational team reaches out and brings out the best in their students. Truly R.E.A.C.H. High School is an educational environment which provides Responsibility, Employability, Achievement, Citizenship, and Harmony. R.E.A.C.H. is building high quality citizens for the present as well as for the future.

Dr. Homer Cole

District News

Skyward Family Access

Castleberry ISD parents can now check their student's grades, attendance, discipline, and health records from home with Skyward Family Access. To sign up to receive your user name and password for Family Access, please call 817-252-2023.
